ABOUT

Pearl Low is the founder of [Orange Blossom Studios](#), a Director, Story Artist and Writer that has worked in animation for over 10 years. Low works in Publishing and Animation for TV/ Feature film. They are Director and Creator of *Wheels & Roses*, and have directed at Sanrio and Studio Smokescreen. They have boarded on projects such as *Hair Love* (Sony Pictures Animation), *Craig of the Creek* (Cartoon Network), *#1 Happy Family USA* (A24) and *Canvas* (Netflix).

Creating community through storytelling is at the heart of why Pearl tells the types of stories they do. Celebrating authenticity of our personhoods and lived experiences is how we connect with one another. They believe there's no better way than using the limitless media that is animation to achieve just this.
